

Join Us to Review the Roadmap for the Future, Made by Moorpark!

GENERAL PLAN GOAL AND POLICY OPEN HOUSE

Saturday, September 24th, 2022
10 a.m. to 1 p.m.

Arroyo Vista Recreation Center, Sycamore Room
4550 Tierra Rejada Rd, Moorpark, CA

• INTERPRETACIÓN AL ESPAÑOL •

For the last several months, our community has been hard at work developing goals and policies to guide the future of Moorpark through 2050. Now, we need your input on whether the preliminary goals and policies reflect the vision and values shared by the community. At the fourth General Plan Community Workshop, you will have an opportunity to speak with your neighbors and members of the General Plan Update project team, and provide input on the draft goals and policies, which will guide future decision-making in our community through 2050.

We invite you to come and go as you please between 10am - 1pm. A brief overview presentation covering the same material will be provided at two times: 10:30 am and 12:00 pm. However, staff will be on hand to receive your feedback throughout the event. Refreshments will be served and there will be a raffle with prizes.
