IMPLEMENTATION PROGRAMS CATEGORIES

The following consolidates and organizes the implementation programs discussed in the preceding section according to categories of actions by which they will be administered.

GENERAL PLAN MAINTENANCE AND MONITORING

Tools and programs intended to ensure that the General Plan remains current over its lifetime, addresses issues of relevance and evolving legislation, and is effective in achieving the Plan's goals and policies.

LU-I6	Development Monitoring and Tracking
LU-I7	Annual Planning Report
LU-I8	General Plan Review and Updates
MOB-I12	Street System Monitoring
INF-I4	Develop Stormwater Management Database
INF-I10	Utilize Technology for Monitoring Efficiency
INF-I13	Track District Sewer CIP Projects
INF-I14	Track District Water CIP Projects
INF-I15	Monitor Regional Water Supply
INF-I17	Waste Management Monitoring Program

IMPLEMENTING POLICY DOCUMENTS AND REGULATORY CODES

Policies, codes and ordinances, and procedures that are consistent with and carry out the General Plan's goals and policies.

LU-I4	CEQA and Greenhouse Gas Reduction and Climate Change Analyses
LUI-9	Zoning Ordinance Implementation
LU-I10	Codes and Ordinances
LU-I14	Infill Incentives
LU-I15	Economic Development Program
LU-I17	Multi-Family Residential and Mixed-Use Objective Design Standards
LU-I20	Arts in Public Places
LU-I24	Downtown Vitalization and Improvement/Specific Plan Update
LU-I30	Health and Wellness Regulations
LU-I31	Health Serving Uses
MOB-I1	Transportation Analysis Guidelines
MOB-I9	Transportation Demand Management
INF-I7	Incentivize Private Rainwater Harvest and Reuse
INF-I8	Adopt State Greywater Standards
INF-I16	Incentivize Greywater Systems
INF-I25	Review and Update Telecommunications Standards and Requirements
ED-I1	Economic Development Strategic Action Plan

ED-I4   Update Downtown Revitalization Plan

OSPR-I1   Update Parks and Recreation Master Plan
OSPR-I2   Update Trails Master Plan
OSPR-I4   Parkland Acquisition and Development/Subdivision and Zoning Requirements
OSPR-I8   Commercial Recreation Standards

COS-I6   Cost Effective Energy Standards
COS-I7   Water Efficient Municipal Codes
COS-I9   Single Use Plastics

SE-I6   Fire Safety Ingress and Egress Requirements
SE-I13   State Seismic Requirements (Building Code)
SE-I16   Review Hillside Management Ordinance
SE-I19   Municipal Code Updates/Geologic and Seismic Hazards
SE-I20   Updating Local Safety and Hazard Plans
SE-I24   Update Code for Flood Requirements
SE-I30   Update Fire Flow Requirements
SE-I49   Maintain/Update Household Hazardous Waste Element

N-I4   Update Municipal Code for Noise Mitigation
N-I5   Update Municipal Code for Mitigation of Noise Sources
N-I7   Land Use Compatibility/Noise
N-I8   Regulation of Commercial Loading Docks

FOCUSED PLANS AND PUBLIC IMPROVEMENTS
Plans transforming policies defined at a generalized level in the General Plan to specific actions to be implemented to address specific topics and/or geographic locations.

LU-I11   Community Facilities and Infrastructure Plan Updates
LU-I18   Design Plan for Public Spaces and Districts

MOB-I2   Local Road Safety Plan
MOB-I6   Transit Plan
MOB-I7   Evacuation Routes and Signage
MOB-I8   Active Transportation Plan
MOB-I10   Parking/Neighborhood Traffic Management Plan
MOB-I13   Traffic Signal Coordination

INF-I1   Update Storm Drain Master Plan
INF-I26   Implement 2020 Broadband Strategic Plan

OSPR-I3   Parks and Trail Development Plans
OSPR-I5   Trails Improvements and Funding

COS-I3   Drainage Improvements

SE-I5   Evacuation Plan
SE-I21   Flood Warning System
SE-I37   Multi-Benefit Resilience Features
SE-I40   Backup Renewable Energy Supplies at Emergency Shelters and Cooling Centers
SE-I41   Tree Planting Program

SE-I47   Multi-Hazard Functional Plan

DEVELOPMENT REVIEW AND ENTITLEMENT
Procedures, standards, and submittal requirements that must be considered by City staff in reviewing applications and permits for development.

LU-I1   Growth Management
LU-I3   Development Review and Entitlement
LU-I9   Zoning Ordinance Implementation
LU-I26   Conservation of Open Space Lands

INF-I22   Development Review/Adequate Energy Utilities and Infrastructure

OSPR-I4   Parkland Acquisition and Development
OSPR-I5   Trail Improvements and Funding
OSPR-I6   Development Review and Entitlement/Parks and Open Spaces
OSPR-I9   Conservation of Open Space Lands

COS-I1   Air Quality Review

SE-I14   Geological Investigations
SE-I15   Soil and Geologic Survey
SE-I17   High Groundwater Levels
SE-I22   Development Review for Flooding
SE-I34   Fire Safety Plans
SE-I46   Hazardous Materials Business Plans

N-I1   Sound Attenuation Measures
N-I2   Residential Uses Adjacent to Railroad
N-I4   Mitigating Noise Impacts (Noise Study)
N-I6   CEQA Review of Noise Impacts

FINANCING AND BUDGETING
Programs and actions to provide funding municipal services and capital improvements, including development fees and access to grants from state and federal agencies, and private organizations.

LU-I12   Capital Improvement Program
LU-I13   Review/Update Development Fees
LU-I25   Acquisition of Public Lands

MOB-I3   Capital Improvements
MOB-I11   Traffic Mitigation Fee Program

INF-9   Evaluate in Lieu Fees for Private BMPs

ED-I3   Capital Investments
ED-I5   Funding and Financing Policy Guide
ED-I12   Gap Financing Program

OSPR-I4   Parkland Acquisition and Development
OSPR-I5   Trail Improvements and Funding

OSPR-I7   Development Impact Fees
OSPR-I10 Sources for Funding of Park and Trail Improvements and Maintenance

COS-I5   City Facility Improvements (Energy)

SE-I7   CERT Training Program Funding
SE-I42   Weatherization and Structural Retrofits
SE-I53   Fair Share Extension (Fire Services)

PLANNING STUDIES AND REPORTS

Studies and analyses to be prepared in support the implementation of specific plan proposals.

LU-I2   Sphere of Influence Analyses

INF-I18   City Services and Operations/Waste Management

COS-I11   Community Gardens

SE-I10   Identification of Resilience Hubs
SE-I25   Flood Assessment of At-Risk Buildings
SE-I36   Extreme Heat Response Plan

CITY SERVICES AND OPERATIONS

Municipal services and functions contributing to the community character, quality of life, economic and social vitality, and health and safety described in the Plan's Vision Statement and policies.

LU-I16   Work with Property Owners
LU-I21   Code Enforcement
LU-I23   Community Clean-Up and Improvement Programs
LU-I27   Community Programs and Services
LU-I29   Civic Engagement

INF-I3   Ensure Operation and Maintenance Documents Comply with Requirements
INF-I19   Municipal Procedures and Operations/Infrastructure and Services Contracts and Procurements
INF-I20   Community Services and Operations/Waste Management

ED-I2   Economic Development Training
ED-I6   Events Strategy
ED-I7   Business Visitation
ED-I8   Broker Outreach

OSPR-I12 Recreational and Cultural Programs

COS-I2   Low Emissions Purchasing

SE-I1   Evacuation Assistance Program
SE-I2   Evacuation Exercises
SE-I3   Evacuation Access
SE-I4   Renewable Backup Power Supply
SE-I7   CERT Training Program Funding

SE-I8   Emergency Services Program

INTERGOVERNMENTAL/AGENCY COORDINATION
Partnerships and coordination with external public and quasi-public agencies providing services and improvements supporting Moorpark's residents.

LU-I2   Sphere of Influence Analysis
LU-I19   Historic Resources Inventory
LU-I28   Intergovernmental Coordination

MOB-I4   Transportation Agencies Coordination

INF-I2   Participate in Enhanced Watershed Management Plans
INF-I5   Develop Cost Share Mechanism with VCPWD
INF-I11   Expand Recycled Water Infrastructure
INF-I12   Develop Cost Sharing Mechanisms for Recycled Water Systems
INF-I13   Track District Sewer CIP Projects
INF-I14   Track District Water CIP Projects
INF-I15   Monitor Regional Water Supply
INF-I17   Waste Management Monitoring Program
INF-I23   Work with External Public, Quasi-Public, and Private Utility and Service Providers
INF-I24   Work with Internal and Local Agencies to Meet Energy Objectives/Participate in Clean Power Alliance

ED-I9   Entrepreneurship Outreach
ED-I10   Entrepreneurship Training

OSPR-I11 Intergovernmental Coordination for Recreations Use of Lands and Facilities

COS-I8   Expanded Recycling and Composting
COS-I10   Sequestration Study
COS-I12   GHG Reduction
COS-I13   Drinking Water Quality
COS-I14   Wildlife Crossing

SE-I1   Evacuation Assistance Program
SE-I3   Evacuation Access
SE-I11   Update Multi-Jurisdictional Hazard Mitigation Plan
SE-I17   High Groundwater Levels
SE-I18   Subsidence Risk Reduction
SE-I22   Development Review for Flooding
SE-I23   Flood Control Structures
SE-I27   Vegetation Management Program
SE-I35   Adequate Water Supplies
SE-I39   Cooling Features at Transit Stops
SE-I43   Vaccinations for Vector-Borne Diseases
SE-I45   Vector Control Program
SE-I48   Ventura County Stormwater Program
SE-I50   Level of Police Service
SE-I51   Public Safety Outreach and Coordination

SE-I52   Level of Fire Service

N-I3   Interagency Coordination and Partnership/Noise Control

JOINT PARTNERSHIPS WITH THE PRIVATE SECTOR
Partnerships and coordination with external organizations providing services and improvements supporting Moorpark's residents.

LU-I19   Historic Resources Inventory
LU-I20   Arts in Public Places
LU-I23   Community Clean-Up and Improvement Programs

OSPR-I13   Partnerships with Community Organizations/Recreational Programs

COS-I11   Community Gardens

PUBLIC INFORMATION

Comprehensive communication packages providing information about community programs and key issues and opportunities.

LU-I5	Development Fact Sheets
LU-I22	Community Clean-Up and Improvement Programs
LU-I30	Health and Wellness Regulations
INF-I21	Public Information/Waste Management
ED-I11	Marketing and Communications Strategy
ED-I13	Experience-Oriented Improvements Design Guide
COS-I4	Energy Efficiency Rebates
COS-I9	Single-Use Plastics
SE-I9	Public Safety Educational Programs
SE-I12	Earthquake Preparedness Information
SE-I26	Flood Insurance Outreach
SE-I33	Wildfire Education and Readiness
SE-I51	Public Safety Outreach and Coordination
